LQH Ludwig Quarter Horses

.....

**LQH Reining Masters** presents the NRHA Bronze Trophy at the Ludwig Quarter Horses facility, from Juli 6 to 9, 2023. All classes are **NRHA Germany/USA**.

This event is more than a competition between brilliant riders with a prize money of around **25.000 US Dollar added money**. The mix between vendors, interesting talks about Western riding and -training plus - of course - pony riding for kids is promising a lot of entertainment.

On Friday evening we offer an unique **ENTERTAINING NIGHT!**

We have special show acts like the main actor of CAVALLUNA: Kenzie Dysli as well as other high performance show acts from the Benelux states.

Further, we offer a very special class: "Biathlon with horses", where riders have to run a part without a horse, ride a very special trail and of course, also to stop and shoot. Grischa Ludwig and a few more famous special guests will participate in this very special (fun) class.

For all Breeders:

Ludwig Quarter Horses will have a **breeding auction** with very special reining stallions from the USA and Europe.

On Saturday evening, the **Bronze Trophy Night** will include the spectacular Reining Finals as well as special show acts, the legendary LQH-Aftershow-Party will follow afterwards.

The following sponsoring packages offer you different opportunities. If you are interested in an individual offer, please get in contact with us.
